

Hotel Information

Below we have compiled a list of quality hotels that are near the facilities and have also agreed to offer our tournament guests with special rates for our tournament. These hotels are also near shopping and restaurants too.

Team representatives, parents, or fans who wish to receive special rates for the tournament need to request the **"Barnstormers Basketball"** rate when calling designated hotels. If you fail to mention this you will not receive the discounted rate listed, so please be sure you use **"Barnstormers Basketball"** code when making your reservation!

Also, April 1, 2010 is the cut-off date to reserve your rooms (Please note that one hotel has a March 26th deadline). You can still call in after this date to make a reservation, however we cannot guarantee that rooms will be available. The University of Iowa Spring Football game is this weekend, so I would suggest you reserve rooms as far in advance as possible to ensure you get a good room at a good rate.
